2010 Can-Am Youth Models

Riding an ATV is truly a family sport. It is an activity parents can share with their children and develop memories that last for a lifetime. The 2010 Can-Am™ DS 90™ and DS 90™ X™ ATVs have fun features for kids and offer greater peace-of-mind for parents. Features include long-travel suspension, a built-in speed limiter and storage trunk. For 2010, the ultra-cool DS 90 X returns with its added features for performance and styling. For 2010, the DS 90 X and DS 90 are designated as Y10 meaning they are appropriate for riders 10 and older.

2010 DS 90 X and DS 90 Highlights

- DS 90 X and DS 90 are designated as Y10+, meaning they are appropriate for riders 10 years of age and older
- Easy-to-operate 90cc four-stroke engines
- Ergonomics specifically designed for kids
- Continuously Variable Transmission (CVT) means no shifting; Forward/Neutral/Reverse
- Long-travel suspension
- Cool styling reflecting the Can-Am sport quad DNA
- Throttle limiter, full floorboards, day lights
- Front and rear spring pre-load load adjusters
- Meets CARB "Green Label" emissions standards
- DS 90 X package available

DS 90 X and DS 90 Key Features

NEW! Y10 Designation for DS 90 X and DS 90 – For 2010, both DS 90 models are designated as Y10 meaning they are appropriate for riders 10 years of age and older, with a maximum unrestricted speed of 48 km/h (30 mph).

CVT with F/N/R – Continuously Variable Transmission means the quad is always in the "correct gear". Riders can concentrate on the terrain, not shifting. Forward/Neutral/Reverse.

Long-travel suspension – Smooth ride and more control over bumps.

Youth ergonomics – Riding position and controls are specifically designed to fit the smaller riders these ATVs are intended for.

DS styling – Cool styling reflecting the Can-Am sport quad DNA, so the kids can look like their parents and heroes

Front storage compartment – Easy to bring along what you need, or take home what you find.

Day lights – Increases visibility and gives the look of a full-size ATV.

Full Floorboard – Ensures secure footing and protection from debris, bumps and rocks.
