For Williams Trailers Coupling Head Security Lock

An invaluable aid when replacing flat or punctured tyres (cannot be used on single axle trailers).

Coupling Lock

A cost effective and practical means of improving the security of your trailer - awarded 'Gold Standard' by 'Sold Secure'. Supplied with a spare barrel lock - giving the option of replacing the existing coupling head barrel lock - enabling the use of one key to open both locks. Suitable for braked trailers only.

Other Optional Extras
 Ratchet Strap (3 metres) £15
 Ratchet Strap (8 metres) £20
 13 pin to 7 pin Towing Electric Plug Adaptor £8

Optional accessories have been priced as factory fit items, ordered with your trailer. If ordered at a later date, your distributor may need to fit the items, which could result in fitting charges being incurred.

Please see the dedicated Tipper brochure for all prices/information about the Tipper range.

LED lights draw very little current and this means some vehicles present problems when coupled with LED equipped trailers, including (but not limited to) hazard warning lights flashing continuously and erroneous dashboard tell-tale lights. Where such problems occur, these are vehicle problems and Ifor Williams Trailers will not be responsible for their resolution. Owners are strongly advised to make thorough checks with the vehicle manufacturer before buying an LED equipped trailer.

Winches available on many models, ask your local distributor for more information.

Prices are ex-works and are subject to delivery charges and the VAT rate applicable at the date of supply.

All trailers are twin axle unless stated otherwise. Coupling locks and wheel clamps can be supplied for all trailer models. Prices on application.

Dimensions and weights are given as a guide only. We reserve the right to alter specifications without notice.
