13 pin to 7 pin Towing Electric Plug adaptor **£8**

Optional accessories have been priced as factory-fit items, ordered with the trailer.

If ordered at a later date, your distributor may need to apply a fitting charge.

Prices are ex-works and are subject to delivery charges and the VAT rate applicable at the date of supply

Please note that all Ifor Williams braked trailers and unbraked Eurolight trailers will come as standard with a 13 pin towing electric plug. This is in order to comply with the requirement under ECWVTA regulation changes to provide trailer reversing lights. If your vehicle only has a 7 pin towing socket then a convenient adaptor can be purchased with the trailer to convert the trailer's 13 pin socket back to 7 pin.

TRAILERS INCLUDE A SPARE WHEEL FITTED AS STANDARD
