13 pin to 7 pin Towing Electric Plug adaptor £11

Optional accessories have been priced as factory fit items, ordered with your trailer. If ordered at a later date, your distributor may need to fit the items, which could result in fitting charges being incurred. Sliding windows - price only applies if fitted at time of order. Dimensions and weights are given as a guide only. We reserve the right to alter specifications without notice. © Ifor Williams Trailers Ltd 2022. All rights reserved.

All Ifor Williams trailers come as standard with a 13 pin towing electric plug. This is in order to comply with the requirement under ECWVTA regulation changes to provide trailer reversing lights. If your vehicle has only a 7 pin towing socket then a convenient adaptor can be purchased with the trailer to convert the trailer's 13 pin socket back to 7 pin.

Want a trailer that combines the much loved qualities of the Ifor Williams Horsebox with luxury living accommodation? See our separate brochure and price list for our Eventa range.
