13 pin to 7 pin Towing Electric Plug adaptor £80

Optional accessories have been priced as factory fit items, ordered with the trailer.

If ordered at a later date, your distributor may need to fit the items, which could result in fitting charges being incurred.

Prices are ex-works and are subject to delivery charges and the VAT rate applicable at the date of supply

Please note that Unbraked Eurolight trailers will come as standard with a 13 pin towing electric plug. This is in order to comply with the requirement under ECWVTA regulation changes to provide trailer reversing lights. If your vehicle only has a 7 pin towing socket then a convenient adaptor can be purchased to convert the trailer's 13 pin socket back to 7 pin.
